INFORMATION REGARDING AND THE NATIONAL SOCIALIST PARTY OF AMERICA (NSPA) IS AVAILABLE TO CLEVELAND IN ITS FILES "THE WHITE CONFEDERACY, AKA" AND THE "NATIONAL SOCIALIST MOVE-MENT (NSM)".

THE NSPA HAS NEVER, TO THE KNOWLEDGE OF CHICAGO, BEEN KNOWN

AS THE NATIONAL SOCIALIST CONGRESS. THE NSPA DID SPLIT FROM THE

NATIONAL SOCIALIST WHITE PEOPLES PARTY (NSWPP) IN 1970 AND HAS

OPERATED AS AN INDEPENDENT LOCAL GROUP SINCE. THE NSPA WAS

FOUNDED BY

SINCE ITS

INCEPTION. THE NSPA HEADQUARTERS ARE LOCATED AT 2519 WEST 71ST

SIREET, CHICAGO, AND HAVE BEEN SINCE 1970.

IS UNKNOWN TO CHICAGO.

THREE BOMBINGS DID OCCUR ON APRIL 20, 1977 IN AN AREA EAST OF NSPA HEADQUARTERS WHICH HAS BEEN THE SCENE OF MUCH RACIAL b6 -1,4

INVOLVEMENT BUT THERE HAVE BEEN NO POSITIVE RESULTS. TWO OF THE

GRENADES WERE THROWN AT BLACK OWNED HOMES; ONE AT A WHITE

OCCUPIED HOME THAT HAD BEEN SOLD TO BLACKS.

CHICAGO IN ITS DISCRIMINATION IN HOUSING INVESTIGATION WAS
UNABLE TO DETERMINE ANY "NAZI" INVOLVEMENT IN THE ABOVE BOMBINGS.
WAS INTERVIEWED BY THE CHICAGO PD AND HE DENIED ALL
INVOLVEMENT IN THE BOMBINGS.
HAS ALWAYS STRUCK A MILITANT POSE, BUT HAS
SOUGHT HIS REMEDIES IN THE COURTS. WHEN VIOLENCE HAS OCCURRED
IT HAS BEEN A RESULT OF MARCHES AND DEMONSTRATIONS.
AND HIS MEMBERSHIP (WHO ARE FEW IN NUMBER) HAVE BEEN
BOASTFUL AND BRAGGARTS IN THE PAST OF THEIR STRENGTHS AND
CAPABILITIES. THESE BOASTS HAVE BEEN FAR IN EXCESS OF THEIR
CAPABILITIES.

Memorandum to Mr.

Re: Unsubs; Members of the National Socialist Congress, aka

As he left the headquarters.
Later, the source spoke with officials of the Chicago b7c -
chapter, two of whom indicated there were plans to engage in b7D - unspecified violence on the 4th of July.
They also indicated they were responsible for three bombings in the Chicago area on 4/20/77,
directed at the homes of black families. They further spoke of demolition and firearms training furnished to their members in b7c
California and North Carolina.

The U. S. Attorney's Office, Cleveland, was provided the pertinent facts in this matter and he advised that FBI investigation was warranted in this matter under the PFO statute. The individuals and foreign embassys mentioned above, have been informed of the alleged threats.

Investigation conducted to date has failed to indicate that there is any substance to the alleged plot. In fact information furnished by various sources, knowledgeable of the group's activities indicates there is little likelihood of such a plot being credible. Currently, all those individuals mentioned by b7C -2 the as being involved in the plot are being interviewed. You will be kept informed of pertinent developments in this matter.

APPROXIMATELY TWO YEARS AGO, HE TRAVELED TO EL MONTE,

HE HAS HEARD NOTHING ABOUT THE BOMBING OF THREE BLACK
RESIDENCES IN CHICAGO, ILLINOIS, ON APRIL 20, 1977, BUT NOTES
THIS IS THE BIRTHDAY OF ADOLF HITLER.

OVER THE WEEKEND OF MAY 28-29, 1977, AT BUFFALO, NEW YORK.

HE ALSO RECEIVED A FORMAL INVITATION IN WRITING FROM THE KLAN
IN BUFFALO. HE DID NOT ATTEND, HOWEVER, AND KNOWS NO DETAILS

HE IS NOT ACQUAINTED WITH BUT

BELIEVES HE KNOWS WHO HE IS. HE KNOWS NOTHING ABOUT

VIOLENCE TO TAKE PLACE ON JULY 4, 1977.

ADVISED THAT AT JUST ABOUT EVERY MEETING HE HAS EVER ATTENDED IN NSM OR AFFILIATED OR SYMPATHETIC CAUSES, VIOLENCE IS DISCUSSED, BUT NEVER SERIOUSLY PLANNED OR CARRIED OUT, ALTHOUGH HE DOES NOT RULE OUT THE POSSIBILITY OF SOME VIOLENCE OCCURRING;

by request), (protect advised as follows:

On 5/28/77, a White Solidarity Meeting was held at the Howard Johnson Motor Lodge, 4215 Genesee Street, Buffalo, New York. This meeting, sponsored by the 4-11 Club (White Solidarity Club) in cooperation with the Knights of the Ku Klux Klan, was originally scheduled at the Airways Motel, 4230 Genesee Street, Buffalo, New York, but was unexpectedly changed at the last moment.

Security at this meeting was quite visible with several persons carrying walkie talkies.

In general, the speakers spoke against Jews and Blacks. Some speakers did mention violence, riots in the streets and "White Permanent Power." No specific details were mentioned re violence, targets, or individuals. Favorable comments were made concerning an unknown bank bombing incident in Los Angeles, California, a few weeks ago. This bombing was supposedly committed by the Nazi Party.

It was quite apparent to that the main purpose of the above mentioned meeting was to attempt to unite national and international leaders of white power groups, including the American Nazi Party.

Buffalo is contemplating possible interview of the only participant of above mentioned meeting not described to be "radical." This interview would take place only after receipt of updated, detailed information re threats and actual bombings mentioned in title of this case.

# Nazi addict used poison gas to kill Jewish businessman

CHICAGO — (UPI) — A Nazi aid hu Klux Klan sympathizer who hilled one Jewish man and apparently had created a seath list for thers also built a hidden chamber in his basement "like something out of Frankenstein," police said yesterday.

the council

Authorities were fittempting to earn whether Raymond Schultz, 37, who killed himself with cyanide

who killed himself lwith cyanide after his capture May 22, was acting alone.

Schultz was found unconscious near the body of Sydney Cohen, a suburban businessman. It originally was believed Cohen had died of a heart attack while struggling with Schultz, but tests showed he was poisoned by cyanide rumes.

Investigators examining Schult's Calumet City home discovered the list, which was variously reported as containing from two to several names. Next to Cohen's name was the notation, "Get this guy first."

Another note said that, "With the help of God and A.H., I will make it to July 1." Investigators said the initials "A.H." apparently stand for Adolf Hitler.

Richard Quagiano, deputy chief of the Cook County Sheriff's Police Department, said investigators found the secret chamber at the end of the furnace room in Schultz's basement, behind a wall lined with bookcases.

"The center case had piano hinges and it was on rollers. It opened up just like something out of Frankenstein," he said. Quagliano said investigators were studying several notebooks and diaries kept by Schultz, along with books on child pornography, child hygiene and several newspaper chippings about child slayings.

Several of the clippings referred to a number of child slavings in the Detroit area, leading to contacts between Oakland County, Mich., officials and the Cook County investigators

Among the other items found in the home were an arsenal of poisons, parts for explosive devices and liferature from the American Nationarty and the Ku Klux Klan, authorities said.

# FBI Probes Nazi Hit List For Murder

Copyright, The Journal, 1977
CHICAGO — An investigation has been ordered to determine if Raymond Lee Schultz, a Nazi sympathizer who poisoned a Jewish businessman with cyanide fumes, was part of a conspiracy to murder Jews.

Schultz, 37, of 948 Green Bay Ave., Calumet City, himself died of cyanide poison after being taken into custody by police.

In Schultz's home, police found two names and next to the name of the victim, Sydney Cohen, 63, was the notation "Get this guy first"

The other name was "Levine or Levin," police said

THE FBI already had a full investigation underway to determine whether some fringe elements of the Nazi party had another "hit" list to assassinate as many as a dozen prominent Jews and blacks, among them former Secretary of State Henry Assaugger

The Journal has learned that FBI agents in Chicago, Cleveland and other cities had the names of six suspected targets, and have already alerted the potential victims and notified local authorities.

Besides Kissinger, the "hit list" includes:

f Arthur Reubloff, Chicago real estate Tinancier Robert Sarnoff, formerly of RCA

Jack Greenberg, New York, attorney for the NAACP.

Paul Warburg, banker.

Other names in the "hit list" were not known to authorities.

The FBI was also checking as to whether the elaborate plot, to happen on or around July 4th, would include that to bomb the Washington embassies of the Soviel Union, Israel, and some Black African nations, as well as a number of religious and bunkers buildings sweet by Jewa.

In the Schultz case, police found a note in the Nazi sympathizer's home that read: "With the help of God and A II., I might make it to July I "Police speculated the initials, "A II." may have stood for Adolf Hitler.

Cohen, owner of the Sibley Lumber Go. In Harvey, Ill., was found dead at his home in the Chicago suburt of Plossmoot. Ill or May 22 STATE'S ATTORNEY Bernard Carry on Thursday assigned his special prosecutions unit to work with Elesamour police on the Schultz case and Carry indicated one of the questions he most wants answered is whether Schultz was "on a mission" when he entered Cohen's home.

(The FBI had been independently investigating the other "hit list" at the time Illinois authorities developed the Schultz case.)

In the Schultz house, police found a large arsenal of deadly poison, including several gallons of hydrogen cyanide; parts for explosives; a cattle prod; Nazi and Ku Klux Klan hate literature and child pornographic books. When arrested, police found Schultz to be carrying a bottle of cyanide solution, a metal mallet, a .25-caliber pistol, a 10-inch blade hunting kmfe, an ice pick and ropes.

Police were unsure whether Schultz had committed suicide after killing Chen, or may have been overcome by the deadly fumes while trying to hide the vial. Schultz, a machine operator, was arrested in 1962 in connection with American Nazi Party picketing of a Soviet movie in Chicago

# Chicago Authorities Probe 'Hit" List, Nazi Conspiracy

Journal Staff Report

fCHICAGO AUTHORITIES are pouring through documents found in the "bomb factory" home of a Nazi sympathizer who poisoned himself after killing a Jewish target on his "hit" list, trying to determine if he was part of a conspiracy to murder American Jews.

The list, found at the home of Raymon Lee Schultz in 'Calumet City, Ill., contained two names. Sydney Cohen, a Jewish businessman who was poisoned with cyanide fumes in his suburban Chicago home by Schultz on May 22, and an illegible name such as "Levin or Levine," sources said. Next to the victim's name was the notation, "Get this guy first."

Meanwhile The Journal disclosed yesterday that the Federal Bureau of Investigation had been investigating another "hit" list that was part of an alleged plot by fringe elements of the American Nazi movement to assassinate as many as a dozen prominent Jews and blacks, among them former Secretary of State Henry Kissinger. No connection between the two lists has been established

William Prendergast, the assistant state's atterney of Cook County who is the probe of the Schultz case, declined to say if any evidence directly linking Schultz to a conspiracy was uncovered but said there were leads pointing in that direction.

Prendergast said he was unaware of the FBI probe of the other "hit" list and therefore did not know if there was a connection with his case.

The FBI is probing an elaborate plot that allegedly includes plans to bomb the Washington embassies of the Soviet Union, Israel and some Black African nations as well as a number of religious and business buildings owned by Jews.

The Journal has leafned who six of the purported targets are. Kissinger; Arthur Reubioff and Pailip Klutznick, both Chicago real estate financiers; Robert Sarnoff, former head of the Radio Corporation of America (RCA); Jack Greenberg, a New York attorney who works for the NAACP, and Paul Wai ourg, a prominent Chicago banker.

PRENDERGAST said that investigators were combing through five or six boxes found in Schiltz's home, which police described as a virtual "bomb factory"

Schultz had been arrested on May 22 by police called to Cohen's home by Cohen's son, who had found his father dead and Schultz lying unconscious beside him.

Police then theorized that Cohen came upon Schult burglarizing his home, knocked him unconscious and then died from a heart attack.

The semi-conscious Schultz was put in a squad car while police searched for possible accomplices. Meanwhile he apparently took the bottle of cyanide he used to kill Cohen out of his pocket and killed himself.

When the autopsy revealed that both men died of cyanide poisoning, police discarded the burglary theory and searched Schultz's house. There they discovered the list, which was first described by police as extensive. The Journal later learned that the list contained only two names.

POLICE FOUND several other bizarre items in Schultz's home, including several gallons of cylinide, bomb components and other explosives and child-related pornographic books. Investigators are searching through five boxes of additional papers and documents found Friday.

A note found in his home said, "With the help of God and A.H., I might make it to July I." Police speculate that the initials are those of Adolf Hitler, the leader of Nazi Germany.

## Why We Are Writing About Nazis in America Today

TODAY, ON THE front page, The Journal is publishing the first in a series of articles about Nazis in America.

17.150 11.00 000 000 100

The question arises, naturally, why? And why, especially, this newspaper?

The answer, pure and simple, is that this is something that is happening in America today, that we discovered it on the West Side of Cleveland and we regard it as information the public and the authorities ought to know, and want to know.

We anticipate that there are those who will say, "Why are you giving them so much publicity? You are playing into their hands and making them bigshots." Others will say "Everyone knows about the Nazis, so what's new?"

That's the purpose of this column, to answer those questions.

Before Adolf Hitler came to power in Germany, no one took him seriously. His rallies and street marches and beer hall brawls were dismissed as isolated rowdyism. He preached hate. He organized brownshirts and stormtroopers and terrorized whole neighborhoods, and especially Jews and others.

WHEN HE CAME to power, Hitler opened concentration camps and slaughtered millions of Jews, Poles, Russians, Gypsies. His doctors conducted medical and sexual experiments on women. His guards at Buchenwald and Dachau and other "death camps" separated children from their mothers' arms, and gassed them.

Do people know this? Do the people know how the stormtroopers terrifled people, how Nazi judges perverted the law into Hitler's "final solution," how Nazi panzer divisions overran and blitzkreiged Holland, Denmark and France?

Not too long ago in Milwaukee, two members of Milwaukee's lunatic fringe of the Nazi Party were brought to trial for ambushing a local Jewish leader. Judge Patrick J. Madden and lawyers for both sides were determised to find a jury that would not be prejudiced against Nazis. They need not have worrted.

The jury's ignorance of Nazi atrocities made jury selection easy. Of 23 people asked if they were aware of the bitterness between Nazis and Jews, none referred to World War II or any of its horrors. One juror figured that "Nazi means Communist." One woman said: "I've heard of Nazis, but I don't listen to the news that much"

Incredible. The judge himself was dismayed that so many Americans dould forget, or never know of, such a recent and outrageous chapter in history.

THE THREAT TO America is that even a small number of determined men patterning themselves after Hitler and preaching the Nazi gospel of hate can create an atmosphere of terror. In Germany, Hitler was ridiculed as a kook and a nut until, as dictator, he virtually ruled all of Europe.

in America we have a glorious

tradition of free speech, the right assemble peacefully, a free ss, freedom of worship, and even he right to dissent from official government views. It is important to insure that these constitutional rights be guaranteed everyone, including self-styled Nazis.

But nowhere is it written that we not carefully be on the lookout for any attempt to Nazify and terrorize America.

If the Nazis ever came to power, would they grant such freedom to others? The correct asnwer, of course, is that we must tolerate free speech, even the Nazis and other extremists, otherwise the values they represent have already come to power.

This does not mean that we have to allow them to bully us, terrorize us, with things us into submission.

If, as the saying goes, we forget history, we are doomed to relive it. The fight for freedom is never won. It is a constant battle. And we have an obligation to ourselves, and our children, to be alert to the danger of these who spread half - truths, our ight lies and messages of hate and intolerance to divide us.

THE STORY ON THE Nazis in America was a difficult one for this paper to pursue, and endangered several of our staffers, especially photographer Ross Baughman, who infiltrated the Nazi movement. He was, in his own words, "frightened and intimidated."

This brings up the question: Why doesn't the FBI have informants inside the Nazi Party? Well, a year ago, then U.S. Attorney General Edward Levi pulled the FBI out of many such organizations because of the uppear over police infiltrating lawful organizations. And the Nazi movement, like it or not, is lawful—just so long as it talks and doesn't indulge in violence.

Should the FBI spy on such organizations — right - wing and left - wing? My answer is yes when they have a history of violence and when they preach the same hate and poison as Adolf Hitler did.

The problem in Nazi Germany came when Hitler hed outrageously, and the people knew he was lying, and they preferred to believe his lies rather than face the consequences of trith. Even Hitler came to believe his

own les and his fant? Sof power.

The moral to be learned from the life and death of Hitler, in the opinion of William Shirer, author and historian, is simply this: No man can be trusted with power. To be endurable, power must be shared to the widest possible extent.

America is a nation of laws, not of men. We make mistakes, We are bamboozled by glib politicians and quick buck artists.

BUT OURS IS a system of checks and balances. We expose our own faults and combat them. We are a nation of immigrants and we have a tradition of fair play and decency and individual liberty.

I don't think we are ready to give up this precious, though fragile, democracy that is America, for all the bunk put out by the hate mongers.

The kind of America we ought to be, and will be, does not rest with the extremists, or even the politicians. It's up to you, and me, and everyone else who believes in equality of opportunity and individual liberty as apposed to the restrictions and appressions of the Old World.

Marie Commence of the second

LEVELAND - The people who rin the bille store front Neith beadquarters at 4319 Clark Ave.. Cleveland, aren't exactly hiding their light under a bushel

Three flags, including one bearing a cross, another the American stars sad stripes and the third a Nazi swastika, adorn the top part of the building's front.

It's an eye catcher if you are a visitor to Cleveland going along just oil the normal route to downtown. And if you're not rushed, you might stop for a clover look

Across the street, a Cleveland (it; fireman sits in the fire station and aves a visitor a bored expression follows: know much about them." he says. What do they do over these they have meetings sometimes."

Now do you feel about them? "They can hang the hammer and sickle up there if they want. They pay their taxes... If the government can't stop them, there's nothing I can do about it."

#### ... THE PLACE ...

The outside of the place is dirt. Posters in the windows look old. The gas man had been there recently and left his door hanger. The hours were posted on the door, 2-18 on Fridays and nown 5 on Saturdays.

There is a second person in the foom, at anding behind a glass counter, who is later identified at Lasey. "commander" of the local group that calls likell the "tinited White People's Party."

The room is about 20 by 20-foot, erhaps a little larger, and completely open in the center. All your walls are crowded with items. Peter, who seems to be taking inventory of a rack of books to the right of the front door, greets a visitor casually, then continues to work. You are left free to wander about at will, without anyone seeming to pay any attention. There are rother "customers" at the time

Along the back of the room, as posses the front door, there is a glassenessed counter with a display of metal items, symbols of the Nazis Next to it there are a dozen or so tabloid-sized newspapers. The top one, "The Thunderbolt," promotes itself as offering "The White Man's Viewpoint," and "News Suppressed by The Daily Press." It costs a quarter.

Behind the counter, there is a hallway leading to a back room. To the left, there is an enclosed office-like area with a felephone. To the right, there are some ciothes racks with white T-shifts with various emblems. There are frames and paraphanalia for silk-screen printing used to piece the words and pictures on the shirts. Stacks of boxes apparently contain various sizes of shirts with various emblems. Some re the sort you can buy at a compare the sort you can buy at a comparently calling favorable attention to obtain calling favorable attention to obtain allows the ethnic bumper stackers.

Another bulletin board contains downs of snapebols, persumably photos of members of the local Nasi group. Still another has a few press clippings, including one from a Cleveland newspaper about racial unwest at a high school.

Reside the clippings is a news photo of the front of the Nasi storebendynations. The caption says bate Hierature distributed in the school came from the above address.

In front of this wall are two machines that appear to be some sort of printing or duplicating machines. They look very old the very used.

On either side of the door, where geter was taking premiory earlied, are racks filled with various paperback-like books and beoklets. There are no lency covers. Some of the booklets are thinner, pumphlet types, printed summaries of various political views shared by the group in the store. There are a rouple of slick magazine-type booklets, one entitled "Sex and the Civil Rights Movement --- What Really Happened in Seima," and the other dealing with the Wis riots. The publication dates are about 1985. Most of the material in the room looks old and dated.

Peter invites you to take "one each" from a rack of single-sheet flyers along the wall to your left as you estier. As you ask questions, he talks in excited tones shout what the "United White Peoples Party" is all about. Some of the titles of the flyers are: "Step Busing," White Students .... The Future Can Be Yours," "Jew Figs...," "He May Be Your Equal, But He's Not Ours," and "If You're Not Willing To Do Anything About It. You Deserve What You Get."

Ab American Flag and Nazi light hang from that wall. On the floor to from of them is a set of bar bells, and a ladder.
